*Epiphany is the moment when a character is
suddenly struck with a life-changing
realization which changes the rest of the story.*

ABOUT TED

TED is a nonprofit organization devoted to Ideas Worth Spreading. Started as a four-day conference in California 30 years ago, TED has grown to support its mission with multiple initiatives. The two annual TED Conferences invite the world's leading thinkers and doers to speak for 18 minutes or less. Many of these talks are then made available, free, at TED.com. TED speakers have included Bill Gates, Jane Goodall, Elizabeth Gilbert, Sir Richard Branson, Nandan Nilekani, Philippe Starck, Ngozi Okonjo-Iweala, Sal Khan and Daniel Kahneman.

The annual TED Conference takes place each spring in Vancouver, British Columbia. TED's media initiatives include TED.com, where new TED Talks are posted daily; the Open Translation Project, which provides subtitles and interactive transcripts as well as translations from volunteers worldwide; the educational initiative TED-Ed. TED has established the annual TED Prize, where exceptional individuals with a wish to change the world get help translating their wishes into action; TEDx, which supports individuals or groups in hosting local, self-organized TED-style events around the world, and the TED Fellows program, helping world changing innovators from around the globe to amplify the impact of their remarkable projects and activities.

Follow TED on Twitter or Facebook by tapping on the icons below.

ABOUT TEDX

In the spirit of ideas worth spreading, TEDx is a program of local, self-organized events that bring people together to share a TED-like experience. At a TEDx event, TED Talks video and live speakers combine to spark deep discussion and connection. These local, self-organized events are branded TEDx, where x = independently organized TED event. The TED Conference provides general guidance for the TEDx program, but individual TEDx events are self-organized. (Subject to certain rules and regulations.)

To learn more about TEDx Program tap on the button bellow.

TEDxVIT

x = independently organized TED event

ABOUT TEDxVIT

Our event is called TEDxVIT, where x = independently organized TED event. At our TEDxVIT event, TEDTalks video and live speakers will combine to spark deep discussion and connection in a small group. TEDxVIT is formed by a group of students & professors from Vidyalankar Institute of Technology, Mumbai to bring together bright minds to give talks that are idea-focused, and on a wide range of subjects, to foster learning, inspiration and wonder – and provoke conversations that matter.

Each 18 minute (or less) long talk, performance or demonstration will have the power to open the minds of the audience, spark dialogue, and challenge attendees to transform ideas into action. Our hope is that TEDxVIT will change the view of open-minded and curious individuals, and will inspire, connect, and shape a new world.

One idea at a time.

ABOUT VIT

Vidyalankar, the name synonymous with educational excellence, is derived from the Sanskrit terms 'vidya' (knowledge) and 'alankar' (ornament). Team Vidyalankar focuses all its energies on spreading the radiance of knowledge and education far and wide. The Vidyalankar Group of Educational Institutes is a prestigious education specialist that has established centrally recognized colleges and qualitative training institutes with branches across Maharashtra. Vidyalankar was established in 1960 by the late Prof. Chandrashekhar S. Deshpande, a technocrat, visionary and a person gifted with extraordinary academic talents and engineering skills. The Vidyalankar Group is managed by the Vidyalankar Dnyanapeeth Trust (established in 1998) with Ms Rashmi Deshpande, Chairperson, at the helm. Vidyalankar believes in facilitating a holistic environment to enable students to reach their optimum potential.

VIDYALANKAR | BODYMARK | THE PERFUME BAR

Endowed with the gift of a good academic career, C. S. Deshpande established "Vidyalankar" with the basic objective to satisfy the inner urge of dedicating oneself to sincere academic pursuit and to guide young students with a missionary zeal, enhance their worthiness and imbibe the nobler values of life in their receptive minds not by empty words but by one's own example.

For over six decades, Vidyalankar has been a guiding light and an inspiration. It has enabled students to reach new heights. Vidyalankar's aim has always been to be the best in the field of education and to match international standards and the logo is an extension of that aim.

The Vidyalankar logo is an essential part of not only the institution but also the students' who have put their trust in us. Since its inception in 1960, the Vidyalankar logo has been a symbol of motivation. The red colour in the logo depicts the zest to meet challenges head-on and overcome the obstacles in our way. The red circle also depicts a "rising sun", marking a new era in the field of education. Additionally, it symbolizes the guiding light that the organization strives to be to its students. Just as the sun gives light to the whole world, Vidyalankar sheds light on various careers and courses, so students can choose a career or course of their choice. Vidyalankar written in black calligraphic font symbolizes the determination of the institute to be on top.

The line "Be sure with" is an integral part of the logo. It reminds us that Vidyalankar is responsible to shape brilliant citizens. It re-assures students and their parents that they are in the right hands.

The red box gives the logo a modern look so that the brand is recognized to be in step with times. The box also strongly symbolizes Vidyalankar provides everything that students need.

Vidyalankar Provides Training for Engineering Entrance Exams like

IIT JEE

Entrance Test for admission to Engineering Program (B.Tech.) in IITs.

JEE-Main

Entrance Test for admission to Engineering Program (B.Tech) in NITS / IIITs.

NEET

Entrance Test for admission to Medical Undergraduate **MT-CET**

Programs all over India.

Entrance Test for admission to engineering Programs (B. Tech & BE) in Engineering colleges in Maharashtra

GATE

Entrance test for admissions to various PG-Programs (eg. M.E., M. Tech, direct Ph.D.) and by Public Sector units for employment screening purposes.

GRE

This test is an admissions requirement for most graduate schools in the United States. The GRE score is also accepted by different universities world-wide.

TOEFL

This is a standardized test to measure the English language ability of non-native speakers wishing to enrol in English-speaking universities. The test is accepted by many English-speaking academic and professional institutions.
